

PINE BLUFF ARSENAL

PINE BLUFF, AR

U.S. ARMY

Pine Bluff Arsenal (PBA), is a Government-Owned, Government-Operated, Department of Defense facility located in Pine Bluff, AR

PBA receives, stores, ships, produces, refurbishes and demilitarizes conventional ammunition, chemical biological defense equipment and related components to meet contingency requirements in support of Joint Force readiness.

PBA occupies approximately 15,000 acres, with 667 buildings, and a capacity totaling 1.1 million square feet of conventional storage. The Arsenal has more than 5,000 acres of pristine developable land with utility systems currently loaded to less than 50 percent capacity. Flexible environmental permitting allows for expansion of industrial operations. Our skilled workforce consists of more than 500 personnel.

Centrally located near numerous transportation arteries, PBA's skilled team is capable of shipping munitions via air, rail, ground or sea. PBA is a proven partner of industry that takes seriously our commitment to the Warfighter and our customers. We invite you to partner with the PBA team of experts!
